

Michael B. Hancock
Mayor

CITY AND COUNTY OF DENVER

DEPARTMENT OF PUBLIC WORKS RIGHT OF WAY ENFORCEMENT

PARKING MANAGEMENT SECTION
201 W. Colfax Ave.
Denver, Colorado 80202
Dispatch: (720) 913-1600
Fax: (720) 913-1804

To the schools in the City & County of Denver,

It was brought to our attention that there are serious safety violations around elementary and high schools. Members from the School staff have reported complaints. R.O.W.E. is forming a team for morning and afternoon session. We will be investigating all schools and as well enforcing violations. After investigating, we as an enforcement team will analyze all schools of the City and County of Denver.

The list below is the violations that have been reported to us:

- 54-458(5) On a crosswalk (blocking)
- 54-482(a) Passenger Loading
- 54-482(c) No Parking Tow-away Zone
- 54-482(a) No Parking Anytime
- 54-441 Unattended Vehicle

As a Right-of-Way Enforcement Agent we are required to enforce compliance of parking regulations by issuing notices and citations for violations of the revised municipal code and rules and regulations governing parking within the City as well as other City ordinances, rules, and regulations pertaining to vehicle issues. Agents perform entry level inspection work ensuring and enforcing compliance of City rules, regulation, and ordinances within the right-of-way and other permitted areas.

We strongly suggest all residents of City and County of Denver to obey all signage posted. Please read all signage carefully as well as the arrows shown on signage before parking. Remember there are children walking to and from schools. **(Please be ALERT)**. Also there are school buses that have the right of way and need to get to their designated area to load and unload children. Anyone who fails to comply with any enforcement agent's request will immediately be subject to citation. Our first priority is the safety of the children by correcting traffic flow to make a safer community.

For any further information please contact:
