August 24, 2017

Good afternoon Cory Community,

We wanted to take a moment to clarify the communication you received earlier today regarding access to the playground after school dismissal. As a licensed afterschool program, Discovery Link will often be using a sectioned off area of the playground during programming time. It is not our intent to exclude any of the Cory community from accessing the playground. We do ask that you be aware of sectioned-off areas when Discovery Link is outside and understand that the purpose is to meet licensing requirements. We thank Sam for continuing to provide high quality programming in both Discovery Link as well as the Cory Neighborhood Center.

If you have additional questions about licensing requirements, please do not hesitate to reach out to Sam, our Associate Director of Programming, Alicia Lamfers (alicia_lamfers@dpsk12.org), or myself. We would be happy to answer your questions or concerns.

Warmly,

Mary Varveris
Director
Department of Extended Learning and Community Schools
