Hip Hop - Creative Dance Kids

In this class, we'll learn choreography to a hit song. This is a high-energy dance form that uses the latest AGE APPROPRIATE Hip Hop and Pop music, coupled with dance steps influenced by some of today's finest dance choreographers. The style incorporates poppin', lockin', and body isolations. Students will learn old school as well as the trendy hip hop style of today, all while emphasizing each dancer finding his/her own individual swagger and style through improvisation. Hip Hop is a fun, high-energy way to express oneself in a big way! Creative Dance Kids classes strive to foster each child's creativity and determination while nurturing his/her capacity to take risks, to strive freely, and to take pride in success.

Parents, family and friends are invited to attend the final class meeting on Feb. 24th to see what we've learned. Please wear comfortable clothes and sneakers. Please contact our office for more information: cdk@creativedancekids.com

Location	Time	Dates of Classes	Min/Max	Grades	Price
Auditorium	3:35pm – 4:35pm	3/9, 3/16, 3/23, 4/13, 4/20, 4/27, 5/4, 5/11, 5/18 (No class 3/30, 4/6)	5/30	K-5th	\$146

Reactions in Action - Mad Science

Did you know that you are witnessing a chemical reaction when you bake cookies? Or that some of your favorite art supplies were created in a science lab? This innovative after school program will challenge students to explore the practical applications of chemistry in their everyday lives! Stick it to the walls and push the power of tape to the limits as we discover the chemical properties of adhesives! Melt metal with just a splash of water before freezing it with a breath of dry ice. Cook up some Elephant Toothpaste as you explore chemistry in the kitchen -- and much, much more! This program will help students connect with chemistry like never before! Get ready to see some reactions in action!

After School - Tuesdays

2D Video Game Design in FlowLab: Game Development & Game Jam - Silicon STEM Academy

Join us this Spring Session and unleash your inner geek! This session focuses on more advanced character creation, behaviors, interactions and physics behind classic 2-dimensional games. Students will develop, test and refine their games as part of the Engineering Design~Process - generating their ideas by testing game theories, creating innovative artifacts and solving authentic problems. Students will have the option of developing a “Top-Down”, “Platformer” or a game completely of their own design style as a part of “Game Jam” program (a game development competition focused on solving real-world problems ie: Global Warming, Global Hunger, Ecology, etc). This program is encouraged for all prior-session Game Designers, but new students are welcome too!

Chess - Chess Wizards

Chess Wizards is one of the nation's premier chess education companies. Our interactive, discovery-based curriculum inspires students to think ahead, visualize their goals, treat others with respect and to learn from mistakes. First, we let kids get the wiggles and giggles out with 10 minutes of free play and review of past taught topics. We then go right into the week's lessons. We separate students based on skill levels and teach different lessons best suited to their individual needs. All lessons have an activity and homework to accompany them and we have well over 80 different lessons to keep challenging our little wizards! Chess has been taught for thousands of years because of its emphasis on logic, tactics and sportsmanship. Let us coach your kids to a higher level of education!

Sarah’s Spanish School- Open to C3 Students Only

After-school, conversational, FUN, Spanish immersion class.

Includes all after-school classes (small class sizes, personalized attention), materials, pre-test and post-test, homework, follow-up activities to do at home, YouTube videos to watch at home to reinforce what was learned in class, online flashcards and games and a certificate of completion at the end of the course! Students will learn to speak A LOT of Spanish through games, songs, stories, and more.

Classes are fun and interactive, but students will also be held to high expectations to learn, practice, study, have success, and develop Spanish speaking skills. Topics will include conversational every-day Spanish and age-appropriate themed units. Additional online Spanish classes and resources available to parents upon request.

Instruction will include TPRS storytelling, immersive instruction, movement, songs, games, conversations, a final project, and more!

After School - Wednesdays

City String Guitar- Guitar and Songwriting

Music is a birthright! Our mission is to share that we are all creative beings with the capacity to make music. In this class, students will learn how to play the guitar, listen to each other as an ensemble, and write original songs. Open to students who have good strength and dexterity in their fingers and who are willing to practice during the week. Practice makes progress. The ability to read is also a plus. (Recommended ages 6 and up.) Students must bring their own guitar.

IMPORTANT NOTE: Students must bring their own guitar.

Yoga – Radiant Beginnings

Our play-based program develops a youth's awareness of breath, body, and mind through yoga and mindfulness. Our unique approach is fun, educational and accessible to all personalities and learning styles. All classes are interactive and bring community, mindful movement, brain games, and breathe together to give youth tools for stress management in class and beyond. Our data driven curriculum emphasizes social-emotional learning, leadership, choice and reflection. Every class strikes a balance between group activities and individual exploration while learning how to nourish body and mind!

Art Class – Young Rembrandts

Does your child have a great sense of humor to complement his or her artistic skills? If so, your child will LOVE a Young Rembrandts Cartoon class. Our students will learn how to personify inanimate objects, as they breathe life into everyday clocks. Popular pets will also see the cartoon treatment as they're transformed into colorful characters. Then we will imagine ourselves traveling to far away worlds as we illustrate amazing alien beings. We will also demonstrate to our students that drawing toys can be just as much fun as playing with them. All this and more await our students. Enroll your student today!

Omniform - Karate

Omniform is martial art that develops the mind, body and the character of the student. It's a blend of Tae Kwon Do, Karate, Boxing and Yoga. The intention of the training is to empower the student to consciously and deliberately develop his or her own unique power - a power of self-confidence, strength and leadership that attracts positive experiences around them. We welcome students with no martial arts experience as well as students with previous experience. The cost of a uniform, jump rope and gear pack and study guide is \$72, which you can purchase directly from the instructor.

EUREKUS - STEM & Maker Discovery!

Join our award-winning STEAM and Maker enrichment program. Engage with science and engineering through creative experiences and charge your imagination in dynamic ways! Learn to solder, design mechanical inventions, explore circuits and electronics and make science-inspired art! Students have a blast becoming “Artist Explorers” – investigating how our world and universe works. From kinetic sculpture to tinkering with tech, learners craft many fun take-home projects. They make from scratch to spark creativity, build skills, collaborate and gain crucial STEAM foundations. Classes are 90 minutes to inspire, dig deep, and foster creative problem-solving. Each session features NEW projects to excite both hands and minds. Enjoy our NASA programs, toy-making, design challenges, motors and LEDs, fine art, experiments and more.

Kiddie Language Academy - French

Are you looking for a fun and engaging way for your child to learn French? During this class, we will work as a group by playing language games, singing songs, making crafts, and learning about French and French speaking cultures. The program is designed to include all age-appropriate fun activities and continue developing speaking skills in the target language. Class games build on critical thinking skills, promote healthy competition, and help train memory. The class is designed for all elementary school ages and all levels of fluency.

Coding with Kids - Robotics for Little Coders (K - 2nd Only)

Robotics for Little Coders with Ozobot is an opportunity for young children to develop their computational thinking skills, build their first programs, and have fun with new friends! Ozobot's programming is designed specifically for early readers, taking into account the cognitive abilities and typical attention span of children ages 5-7. Students are introduced to basic coding concepts with simple tasks, such as customizing their Ozobot and assigning commands through different colors, then build up to more complex tasks with Ozobot's simple drag-and-drop language.

Movement Madness – Jenny Cargile

Like adults, kids need to get exercise... they need to put down the electronics turn off the tv and get their bodies moving for a minimum of 60 minutes a day. Movement of the body helps kids physically as well as helping their emotional, cognitive and social development. We all know the phrase 'a healthy body equals a healthy mind.'

Kids need to get moving and this is what we do at Movement Madness. We provide a fun and exciting way for kids to get/ stay fit mentally, emotionally, socially as well as physically. We at Movement Madness are here for the development of the whole child. Through an hour class we provide your child with the needed 60 minutes of vigorous exercise, help develop and improve sport skills, and build their self-confidence by providing constant praise and a positive social environment where they feel good about themselves, build friendships and learn to be a team player.

Location	Time	Dates of Classes	Min/Max	Grades	Price
Gym	3:35pm – 4:35pm	3/12, 3/ 19, 3/26, 4/9, 4/16, 4/23, 4/30, 5/7, 5/14, 5/21	10/28	K – 5th	\$160

Pottery – Clay Play

Clay Play offers children the chance to get hands on experience working with the magical medium of clay with professional potter Jessa Decker-Smith. We will do a variety of projects letting kids explore many aspects of pottery-making including: hand-building, coil-building, slab-building, texture, clay manipulation and addition, decorating, glazing and more. Participants will bring home many finished fired pieces during the semester. All clay, tools, glaze materials, and firings will be provided. No experience is necessary! Class fills up quick - don't wait to sign up!

The Infamous Shoe Gang - Kidstage

Shoes are missing. Fashion blunders are being needlessly caused. The townsfolk are furious but luckily...or not...the Chief and Deputy of police are on the case...or are they? This original “western” set in the 1880’s in Denver, CO takes you on the hilarious journey as the shoe criminals are on the run and the inept police department is trying to catch them. Complete with a “mastermind criminal” cow and a dapper and cunning bounty hunter, this play will delight audiences and actors!

Cooking From the Garden - Slow Food Denver

Cooking from the Garden incorporates the school garden through planting, maintaining, harvesting and preparing food in a seasonal cooking class. This inspires children to develop healthy, lifelong eating habits by making the connection between where food comes from and how it is prepared.

- Create an interactive and multi-faceted learning environment to transform students from passive food consumers to creators, and in doing so increase their health awareness.
- Children will discover their own taste preferences and learn to create dishes they enjoy.
- Children will learn the entire seed-to-table experience connecting the food they grow to the nourishment on their plate

Location	Time	Dates of Classes	Min/Max	Grades	Price
Room 113	3:35pm – 4:35pm	3/12, 3/19, 3/26, 4/9, 4/16, 4/23, 4/30, 5/7, 5/14, 5/21	7/12	K- 5th	\$180

Arrete Warriors - Trainer Jill LLC

Do you want your child to be strong mentally and physically? Do you want him or her to learn good lifelong habits to be happy and healthy? Arete Warriors is for them to have FUN while learning to be strong, fit and healthy human beings.

Arete means reaching your full potential in mind, body and spirit. Arete Warriors learn how to exercise properly, general nutrition principles, and self-awareness through class activities and an engaging daily journal. The curriculum is designed to teach a growth-mindset, emotional awareness and control, self-discipline and respect.

After School - Fridays

Karate – Omniform

Omniform is a martial art that develops the mind, body and the character of the student. It's a blend of Tae Kwon Do, Karate, Boxing and Yoga. The intention of the training is to empower the student to consciously and deliberately develop his or her own unique power - a power of self-confidence, strength and leadership that attracts positive experiences around them. We welcome students with no martial arts experience as well as students with previous experience. The cost of a uniform, jump rope and gear pack and study guide is \$72, which you can purchase directly from the instructor.

Missed classes can be made up at our studio location

***** Discount for students who sign up for BOTH**

Golf Squad at Cory Spring 2019 – Golf Squad

Golf Squad Spring is for both new and continuing students and provides weekly opportunities for your child to learn social skills required to enjoy golf, the clubs, and golf course (vocabulary, etiquette, rules, history, etc.) all under the instruction of a PGA Professional. Golf is a very challenging and fun sport that can lead to college scholarships. So start early and start now...boys and girls! Even if your child already plays, it is great to get weekly, convenient lessons from the pro! PGA Master Professional Chris Schultz will be the instructor.....there are less than 300 Master Professionals in the US!

Broadway Dance – Creative Dance Kids

Let's dance, act, and Sing Broadway! Each week we'll learn & practice the fundamentals of dance, acting, & voice technique to develop a foundation of skills. We'll then put it all together to recreate our favorite Broadway songs & dances as an ensemble. Parents are invited to the final class meeting on *May 22nd* to see what we've learned.

Creative Dance Kids classes strive to foster each child's creativity and determination while nurturing his/her capacity to take risks, to strive freely, and to take pride in success.

Fun with Mandarin Chinese- Kiddie Language Academy

Are you looking for a fun and engaging way for your child to learn Mandarin? During this class, we will work as a group by playing language games, singing songs, making crafts, and learning about Mandarin Chinese. The program is designed to include all age-appropriate fun activities and continue developing speaking skills in the target language. Class games build on critical thinking skills, promote healthy competition, and help train memory. The class is designed for all elementary school ages and all levels of fluency.

ADDITIONAL AFTERSCHOOL PROGRAMS:

Girls on the Run

Girls on the Run® is a transformational physical activity based positive youth development program for girls in 3rd-8th grade. We teach life skills through dynamic, interactive lessons and running games. The program culminates with the girls being physically and emotionally prepared to complete a celebratory 5K running event. The goal of the program is to unleash confidence through accomplishment while establishing a lifetime appreciation of health and fitness. Girls on the Run of the Rockies is an Independent Council of Girls on the Run International, which has a network of over 200 councils across the 50 States and the District of Columbia. Program Registration for Girls Opens February 3rd. To register go to <http://girlsontherunrockies.org/our-program/registration/>. The registration cost per person is \$170. Season Starts: Week of March 2nd (practice will take place on Mondays and Wednesdays after school until 5:00). Program Registration Closes: March 13th. The final race will be the Colfax 5K at City Park on Saturday, May 16th. In addition, we are looking for motivated coaches to help with Girls on the Run this Spring (no running experience necessary). The coaches each volunteer for one practice a week. Please reach out to Alexia Eslan at lentza@hotmail.com or 303-847-5582 if you would like to volunteer or for any questions. We hope you join us for this great opportunity!
