AFTER-SCHOOL ENRICHMENT PROGRAMS

MONDAY PM (3:30PM - 4:30PM)

Omniform Karate

Omniform is a martial art that develops the mind, body and the character of the student. It's a blend of Tae Kwon Do, Karate, Boxing and Yoga. The intention of the training is to empower the student to consciously and deliberately develop his or her own unique power - a power of self-confidence, strength and leadership that attracts positive experiences around them. We welcome students with no martial arts experience as well as students with previous experience. The cost of a uniform, jump rope and gear pack and study guide is \$77, which you can purchase directly from the instructor.

MONDAY PM (3:30PM - 4:30PM)

Sound Formation: Percussion

In this unique class you'll learn an easy way to truly master rhythm. The proprietary tools and method we teach allow you to transfer your groove onto any other instrument with our guidance later on, and/or just get awesome at percussion now! Strategic and fun games develop your listening skills, performance ability, and overall musicality. The fundamental math involved in rhythm is explained at grade specific levels. We use a beautiful blend of hand-percussion instruments like djembe, cajon, darbuka, claves and more. Our teachers have degrees, Masters degrees, and even Ph.Ds in music.

NEXPLORE: Makers Club

Nexplore Makers Club is an engineering program designed to inspire kids to pursue futures in science & technology. Students interact with fun Maker Kits that enhance mechanical, artistic, and engineering skills, while encouraging them to act as inventors in their own right. Participants design their own remote controlled hydraulic arms, learn to harness energy to power race cars, and experiment with structural design. Plus, students can keep their inventions and proudly share their projects with family and friends. Nexplore Makers Club is fully aligned with Next Generation Science Standards, and reminds kids to always explore, experiment, and create!

Movement Madness

Like adults, kids need to exercise... they need to put down the electronics, turn off the tv and get their bodies moving for a minimum of 60 minutes a day. Movement of the body helps kids physically as well as helping their emotional, cognitive and social development. We all know the phrase 'a healthy body equals a healthy mind'. Kids need to get moving and this is what we do at Movement Madness. We provide a fun and exciting way for kids to get/ stay fit mentally, emotionally, socially as well as physically.

We at Movement Madness are here for the development of the whole child. Through an hour and 15 minute class filled with fun games and activities, we provide your child with the needed 60 min of vigorous daily exercise. We help develop and improve sport skills, build their self confidence by providing constant praise and a positive social environment where they feel good about themselves, build friendships and teach them to be a team player.
